1895.

RESERVATIONS.

The sale of land at northwest corner of Penn avenue and Garrison alley, Pittsburg, Pa., authorized by act of May 21, 1890 (Public, 125), was made at public auction November 8, 1894, to Charles McKnight, for \$215,000. This sum was received by the depot quartermaster, this city, and after payment of expenses of sale, amounting to \$440.55, the balance, \$214,559.45, was deposited by him in the Treasury to credit of miscellaneous receipts. The deed for the property was executed by the Secretary of War December 3, 1894.

The appropriation of \$16,500 made by act of June 27, 1890 (G. O. 69 of 1890), for purchase of land for target ranges at Fort McPherson, Ga., still remains unexpended, no definite site fulfilling needed requirements having as yet been determined upon.

Under terms of act approved July 8, 1886 (G. O. 52 of 1886), the grounds comprising Old Fort Brady, Mich., authorized to be sold, were duly platted, appraised, etc., and under public advertisement the buildings and old fencing located thereon were sold at auction October 25, 1893, for the sum of \$2,072.50.

Since October 24, 1893, 23 lots have been sold at public and private sale (at not less than appraised value), the total amount realized being \$22,670.31, which sum (less cost attending sales) has been deposited in the Treasury.

The unsold lots are in charge of the post quartermaster, Fort Brady, Mich., to whom application for purchase is made.

Under act approved March 1, 1890, the military reservation of Old Fort Bliss, Tex., was platted, appraised, and advertised to be sold March 5, 1894, but sale was postponed pending action upon certain bills then before Congress.

In act making appropriation for sundry civil expenses of the Government, approved August 18, 1894 (G. O. 43 of 1894), \$7,000 is granted for acquiring additional lands, not exceeding 190 acres, at Fort Ethan Allen, Vt.

The owner of the desired grounds not being willing to sell for the sum appropriated, measures are now being taken, through the Department of Justice, for securing same by condemnation proceedings.

In act making appropriation for support of the Army, approved May 6, 1894 (G. O. 32 of 1894), \$8,500 is appropriated for the purchase of land for a target range at Sacketts Harbor, near Madison Barracks, N. Y.

Under this act 805.91 acres at Stony Point, 16 miles from Madison Barracks, have, under direction of Secretary of War, been purchased within the appropriation, favorable opinion regarding title having been rendered by the Department of Justice.

Under act of March 3, 1885, the purchase of the Fort Brown, Tex., reservation has been consummated.

The Department of Justice having rendered opinion that complete title is vested in the United States, in obedience to instructions of the Assistant Secretary of War the \$100,000 granted by act referred to was paid April 26, 1895, by check of depot quartermaster, this city, drawn on the Treasurer, United States, to the order of James Stillman and Thomas Carson as administrators of the estate of Maria Josefa Cavazos, deceased.

The money was paid unconditionally and in full settlement of all claims of every description against the United States on account of this reservation.

Under act approved March 1, 1895 (Public, 91), the lands and buildings known as Mount Vernon Barracks, Ala., were on April 10, 1895, relinquished to the State (G. O. 38 of 1895).

Under act approved July 31, 1894 (Public, 136), all right, title, and interest of the property known as Newport Barracks, Ky., was transferred January 1, 1895, to the city of Newport, Ky.

GENERAL: I have the honor to report the operations of the mail and record division for the fiscal year ended June 30, 1895:

MAIL AND RECORD DIVISION.

The orders of the Secretary of War of May 15, 1894, instituting the card-record system for keeping the records of the War Department from July 1, 1894, did not materially affect this office, as practically the same system of records had been adopted and in successful use since November 15, 1890.

A precedent file has been established, and the other provisions of the order have been complied with.

The following communications were received, and letters and indorsements mailed:

Original cases.....	14, 344
Received-backs	28, 490
Letters and indorsements mailed.....	49, 052

An increase of about 12½ per cent over the previous year's business.
